Meeting called to order by Chairman Denny at 4:06p.m. EST

Motion Passed 3-0

Discussion on Section 3. HOME STATE LICENSURE, Subsection C.4

The Committee continued the review and discussion of the DRAFT document with language for Chapter 3: Member State Background Check. The Committee is awaiting a review by Rick Masters, Special Counsel and feedback.

The Committee also reviewed proposed draft language from Wayne Denny regarding a privilege to practice and the background check process, including:

“An individual may exercise a privilege to practice in other member states provided that the individual:

- a. is in compliance with Section 4 of the compact. (this may need to be expanded to include the specifics)
- b. has no disqualifying findings in the criminal history background check as stated in Rule X (this is where we will need a rule that lays out the specific disqualifiers). An individual who has disqualifying findings that do not preclude licensure in his/her home state may petition a remote state for a privilege to practice in that remote state. Other remote states may choose to honor the privilege to practice decision of other remote states on a case by case basis.”

This led to a discussion about the complications around disqualifying language and the difference between states.

1 The Committee discussed Section 5 of the Compact, "CONDITIONS OF PRACTICE IN A REMOTE
2 STATE".

3
4 The Committee discussed the upcoming meeting being planned for Rhode Island as well as a
5 virtual meeting planned for April, and how to best use that time to address the rules that the
6 Commission has clear statutory authority to address.
